[App. F. III—2

G.O.No. L. 645-L-B-31-31-1 dated 20th July 1931 (Flag I).

When the Tuticorin District Board requested the restoration of the old rates in 1936, the matter was considered and the proposal was not sanctioned (vide G.O.No.L.671/L.B.-31-31-11 dated 29th March 1936 (Flag II). There does not therefore seem to be any need to revise and raise the rates of T.A. as proposed as the financial condition of the District Boards has not shown any improvement. The ground urged by them is that they should get same rates as Deputy Commissioners. I am not sure that they will be satisfied with Single First Class Railway fare proposed in the Draft order. They are sure to ask for 1½ fares. If Government are not inclined to give 1½ First Class, it would perhaps be better to have the present 1½ times Second Class.
